Park	Maria de Lourdes Figueira	Deputy Director Tijuca National Park
City	Celso Junius Ferreira Santos	Coordinator Municipal Support Structure for the Tijuca National City of Rio de Janeiro
Discussant	Rafael Soares Gonçalves	Associate Professor l'Université Catholique de Rio de Janeiro (PUC-Rio)

16:10 – 17:30 Nairobi National Park, Nairobi (Kenya)		
Park	Wilson Korir	Assistant Director, Southern Conservation Region Kenya Wildlife Service
City	Peter M. Kibinda	Director – Metropolitan Planning and Environment Ministry of Nairobi Metropolitan Development
Discussant	Bernard Calas	Director, Institut français de recherche en Afrique (IFRA – Nairobi)

Morning	56, rue Jacob	
09:00 – 09:20	Reflections on Urban Protected Areas - Pedro de Castro da Cunha e Menezes Deputy Leader– IUCN/WCPA Cities and Protected Areas Specialist Group	Salle de Conferences
09:20 – 09:40	"Natures et Cultures" - Emmanuel Lezy, Maître de Conférences Laboratoire Gecko - Université de Paris Ouest Nanterre La Défense	
09:40 – 10:00	Coffee Break	CERI
10:00 – 12:15	Parallel Session #1 -- <i>Biodiversity Without Borders: Conserving Urban Nature within—and beyond—Protected Areas</i>	Salle de Conferences
10:00 – 12:15	Parallel Session #2 -- <i>Whose Areas: Conflicts & Dialogues in and around Urban Protected Areas</i>	Salle Jean Monnet

Lunch	Central Paris – Public Green Spaces
12:15 – 14:00	Pic-nic lunch

Afternoon	56, rue Jacob – Salle de Conférences	
14:00 – 16:15	Parallel Session #3 -- <i>Governance for Cities and Protected Areas</i>	Salle de Conferences
14:00 – 16:15	Parallel Session #4 -- <i>Protecting Areas: What future for this conservation strategy in urban settings?</i>	Salle Jean Monnet
16:15 – 16:45	Coffee Break	CERI
16:45 – 17:45	Final Plenary – Summary Reports from Parallel Session Chairs	Salle de Conferences
17:45 – 18:00	Announcements	

Session #1 – Biodiversity Beyond Borders : Conserving Urban Nature within—and beyond—Protected Areas <i>Chair: Paul Grigoriev, Regional Programme Coordinator, IUCN Regional Office for Pan Europe</i>		<i>Salle de Conférences</i>
The City of Cape Town surrounding the Table Mountain National Park: An historical reflection of the evolving relationship between an urban settlement and ecological processes		P.M. Anderson, P.J. O'Farrell
Urban planning's contribution to conservation of natural protected areas: The views of communities living in the interface between urban settlements and a natural world heritage area		Adrienne F Keane
The Souss Protected area: between urban sprawl and the creation of identity banners*		David Goeury
The Fiocruz Atlantic Forest Campus and the Growth Acceleration Program (GAP) of Juliano Moreira Colony: the incorporation of sustainability principles into an integrated planning proposal in the buffer zone of a protected area, the Pedra Branca State Park in Rio de Janeiro, Brazil		Luis Carlos Soares Madeira Domingues

Session #2 – Whose Areas: Conflicts & Dialogues in and around Urban Protected Areas <i>Chair: Lionel Laslaz, Maître de Conférences, Laboratoire EDYTEM, Université de Savoie</i>		<i>Salle Jean Monnet</i>
Legitimate uses of the Calanques National Park*		Valérie Deldrève, Philippe Deboudt , Ludovic Ginelli
National parks for biodiversity management at the gates of cities? Projects of the Fontainebleau National Park (France) and the Gatineau National Park (Ottawa, Canada)*		Nathalie Lahaye
What future for protected areas of the Far North Cameroon confronted by domestic energy demands in the town of Maroua?*		Gervais Wafo Tabopda
Regional Natural Parks in Ile de France: Between nature conservation and social filtering*		Monique Poulot

**presentations in French*

Session #3 –Governance for Cities and Protected Areas <i>Chair: Monique Poulot , Professeur, Laboratoire Gecko, Université de Paris Ouest Nanterre La Défense</i>		Salle de Conférences
Metropolitan Lille and its agriculture: a shared governance of peri-urban areas. Examples of the Deûle and Val de Marque parks*		Nicolas Rouget
A call for urban lighting governance in the vicinity of protected areas		C. Aubrecht, M. Jaiteh, A. de Sherbinin, T. Longcore, C. Elvidge
The benefits of natural areas on urban areas by recognizing the ecosystem services: a strategy to link the protection of natural areas to urban settings		Francisco de la Barrera, Dário Moreira
Long-term sustainability of “real nature” adjacent to a world-class metropolis: Case Study of the Santa Monica Mountains Conservancy, Los Angeles, California		Rorie Skei

Session #4 –Protecting Areas: What future for this conservation strategy in urban settings? <i>Chair: Sophie Didier, Research Director, French Institute of South Africa (IFAS)</i>		Salle Jean Monnet
Managing Sustainable – Protected – Area in Urban Environment: Observations From Pallikaranai Marsh Lands of Chennai, India		M.Sakthivel, P.K. Senthilkumari, J.Priyadharshini and R. Shobana Leena
Layouts and principles for a sustained services' provision: UNESCO Biosphere Reserves as key approach for multiple scale and urban spatial planning.		Karl-Heinz Gaudry
Urban Dynamics and the Conservation of Sacred Forests – Theoretical Issues and Epistimological Paradoxes*		Aubin Agnissan
Industrial nature, urban protected area: overcoming oxymorons*		Samuel Depraz

**presentations in French*

Morning	Fontainebleau & Gaitanis: The UNESCO Biosphere Reserve just outside Paris
08:15	Assemble at CERI (56, rue Jacob)
08:30	Departure from Paris
10:00 – 11:30	Plenary Discussions* at the edge of the Biosphere Reserve <i>Transition Zone</i> (La Rochette) - Introduction to Fontainebleau and Gâtinais Biosphere Reserve - Biosphere Reserves in Metropolitan Contexts: A comparative study from France and Chile <i>Jérôme Pelenc, Doctorant, CREDAL - Université Sorbonne Nouvelle (Paris-3)</i> - « Management of Urban and Peri-urban forests » <i>Anne-Marie Granet, Chef de projet, Accueil du Publique, Office National des Forêts</i> * 20 minute presentations + 10 minute discussions
11:30 – 12:00	Visit to « Bois de La Rochette », a Sensitive Natural Space (guided by the Conseil Général - 77)
12:00 – 12:15	Travel to Franchard, in the Biosphere Reserve <i>Core Zone</i>

Lunch	
12:30 – 14:00	Rustic Buffet Lunch featuring products from Biosphere Reserve

Afternoon	Managing an urban forest
14:00 – 16:00	Visit to Franchard (guided by l'Office National des Forêts)
16:30 – 18:00	Return travel to Paris
18:00	Arrival back at the conference venue (approximate time)

Notes:

- 1) Participation in the excursion is subject to a 15€ fee, to be paid on arrival at **BiodiverCities**.
- 2) This fee covers the costs of transportation and lunch on-site.
- 3) As the excursion will involve visits to forested areas, we suggest that participants bring sturdy shoes and a light coat in case of rain.
